Honourable Minister of Power, Works and Housing

HE Babatunde Raji Fashola, *SAN*

Head of the Civil Service of the Federation,

Mrs Winifred E. Oyo-Ita,

The Permanent Secretary – Power, Federal Ministry of Power, Works and

Housing, Engr Louis Edozien,

Directors in the Federal Ministry of Power, Works and Housing,

Chief Executives of Agencies,

Management and Staff of NEMSA,

Members of the Press, Distinguished Ladies and Gentlemen.

1. I am delighted to be at NEMSA's Headquarters and to give my keynote address at these two epoch-making events marking the presentation of NEMSA's "**Conditions of Service**" and the commissioning of NEMSA's "**Security Surveillance Equipment**". These events are testimonies to President Muhammad Buhari's developmental efforts at improving infrastructure nationwide and developing human capital across the nation, thereby ensuring that the workforce are provided with the right conditions of service that will bring out the best in our trained and skilled personnel. Today marks a unique milestone in the history of this Agency as we now have NEMSA's "**Conditions of Service**" that defines the relationships between the Agency and its Staff in all ramifications. Also, the

**Security Surveillance Equipment** being commissioned today will enable NEMSA Headquarters to monitor on-line 24/7 the operations and activities in its three National Meter Test Stations located at Oshodi-Lagos, Kaduna and Port Harcourt. The system put in place is a scalable one that allows for future coverage of other critical facilities when fully developed.

2. I want to challenge the Management and Staff of NEMSA to be diligent in their duties and to abide by the **“Conditions of Service”** for a smooth and harmonious running of this crucial Power Sector technical enforcement agency going forward. It is my expectation that NEMSA will continuously deliver on its mandate within the framework of the Economic Recovery and Growth Plan (ERGP) of the Federal Government, the Power Sector Recovery Programme (PSRP).

3. I wish to most sincerely express my gratitude and appreciation to President Muhammad Buhari, GCFR, for providing leadership to the nation that makes these achievements programmes and activities.

4. Ladies and Gentlemen, it is now possible. I specifically thank the Head of the Civil Service of the Federation; Mrs Winifred E. Oyo-Ita for providing guidance and final approval of the NEMSA **“Conditions of Service”**; the Permanent Secretary (Power), Engr Louis Edozien and directors of the Ministry for their continuous and tireless efforts towards the realization of Government policies, developmental my singular honour and privilege to officially present NEMSA’s **“Conditions of Service”** to the entire workforce for its judicious use and also to commission NEMSA’s **“Security Surveillance Equipment”** for the enhancement of its services towards effective delivery on its mandate.

5. Thank you all and God bless.

**Hon Mustapha Baba Shehuri**
